

11Series Solutions, LLC

Service-Disabled Veteran-Owned Small Business (SDVOSB)

COMPANY OVERVIEW

11Series Solutions, LLC is a service-disabled veteran-owned small business providing industrial construction and facility services to federal, state, and local government agencies, as well as select commercial clients. As a prime contractor, we deliver structured project execution, compliance-driven oversight, and disciplined coordination of subcontractors and suppliers. Although newly established as an entity, the company is led by management with extensive experience managing construction, logistics, and facility operations in regulated and mission-critical environments, emphasizing accountability, safety, documentation, and schedule control consistent with government procurement standards.

CORE COMPETENCIES

Industrial Building Construction & Renovation

Roofing Systems (Install, Repair, Replace)

Project Management & Scheduling

Safety Management & Quality Control

Facility Construction & Support Services

Demolition & Site Preparation

Subcontractor Coordination & Oversight

Logistics, Material Handling & Mobilization

RELEVANT EXPERIENCE (KEY PERSONNEL)

Leadership experience includes oversight of mobilization, construction sequencing, utilities coordination, and demobilization for large-scale industrial, housing, and infrastructure-related projects across multiple states. Experience further includes execution support for pre-engineered metal buildings (PEMBs), industrial and aviation facilities, development and enforcement of safety and quality control programs, and management of complex logistics, inventory control, and material staging operations. This work has been performed within federal, state, and other highly regulated environments requiring strict adherence to safety, reporting, and operational controls.

DIFFERENTIATORS

Veteran-led leadership with public-sector experience • Prime contractor accountability from preconstruction through closeout • Compliance-focused execution aligned with government requirements • Proven ability to mobilize quickly under schedule constraints • Experienced oversight of multi-trade subcontractors and vendors • Strong emphasis on documentation, reporting, and risk management • Insured; bonding capacity available upon award

PAST PERFORMANCE STATEMENT

In accordance with FAR 15.305(a)(2)(iv) and applicable state and local procurement standards, the absence of corporate past performance does not indicate a lack of capability. 11Series Solutions is led by personnel with substantial relevant individual and managerial experience performing construction, logistics, and facility support work comparable in scope, complexity, and regulatory requirements to public-sector projects.
